

Transform the way you do business with the ultimate A4 & A3 colour MFP

At OKI Printing Solutions we have combined our business expertise with that of EFI, the world leader in digital imaging and print management solutions, to deliver multi-functional excellence to the multi-tasking office. Whether you want to print, scan, copy or network fax, it does so at extreme speed and with outstanding image quality. Unparalleled reliability, remarkably easy to use and exceptional value for money, the C9800 MFP is the ultimate in-house colour solution that will transform the way you do business.

Do it all.

Delivering up to 36 colour and 40 mono A4 printed or copied pages per minute, the new C9800 MFP is super fast and extremely flexible. You can produce everything from general office stationery and oversized A3 spreadsheets to 1.2m long banners. 600 x 600 dpi scanning resolution ensures clear, sharp text and graphics. And thanks to EFI's latest Fiery™ technology and ProQ4800 Multilevel technology, brilliant print and copy results are always assured. What's more, Auto Colour Balance ensures these outstanding results remain consistently accurate. And for that extra professional touch, there's an optional Saddle-stitch Finisher for producing folded, stapled and hole-punched booklets.

Do it easily.

The C9800 MFP transforms the way documents are handled, improving the flow of communications within your business. With a user-friendly colour touch screen – the largest in its class – scanning to e-mail, scanning to FTP and sending network faxes is so easy. Additionally, double-sided scanning and copying is simple and super quick because it's done in one single pass. Template Manager software takes the hard work out of creating documents in different sizes or formats and if you need help or advice the 'Ask OKI' tab in your MFP driver leads you straight to an information-packed website specific to the C9800 MFP.

Do it more economically.

Better value than any other MFP in its class, the C9800 MFP is a truly exceptional business proposition. High volume, high performance and highly competitive on cost per page, it really has got it all in one.

Highlights:

- Best value MFP in its class, combining a low purchase price with a very competitive cost per page
- Super-fast printing and copying at 36ppm colour and 40ppm mono A4
- Advanced colour and document management from EFI's latest Fiery™ technology
- LED technology combined with a straight paper path delivers high speed and reliability
- ProQ4800 Multilevel technology and 1200 x 1200 dpi for truly outstanding image quality
- Colour touch screen – the largest in its class – makes double-sided scanning and scanning to e-mail or FTP easy
- Template Manager software allows you to produce anything from business cards to 1.2m banners, quickly and simply
- Optional Finisher available for producing folded, stapled and hole-punched booklets

| | Paper weight | 64–216gsm from internal tray, 55–268gsm from Multi-purpose tray, duplex 55–120gsm, sorter/mailbox (face up 64–268gsm, face down 64–216gsm) |
| | Paper size | Internal trays: 105mm–328mm width to 148mm–457.2mm length (including A6, A5, A4, A3, A3wide); Multi-purpose tray: 76.2mm–328mm width to 127mm up to 1,200mm length (including A6, A5, A4, A3, A3wide and banner media) |
| | Duplex | Standard |
| | Paper feeding | Auto Media Detect: automatic paper weight detection; Auto Paper Tray Select: automatically detects paper size; Tray Empty Sensor |
| | Paper output | 500 sheets face down, 250 sheets face up |
| | Optional | Optional Finisher: stacks up to 1,000 sheets, 3 place stitching 50 sheets; up to 20 saddle-stitched booklets (40 pages) |
| Operating conditions | Temp/Humidity (operating) | 10°C–32°C (17°C–27°C recommended) / 20% to 80% RH (50% to 70% RH recommended) |
| | Storage | -20–45°C, 10–90%RH |
| Power requirements | Power supply | Single phase 220–240VAC, frequency 50Hz +/- 1Hz |
| | Power consumption | Typical 750W, Peak 1500W, Idle 200W (average), Power Save < 55W |
| Noise level | | Operating: 54dB(A) or less, Standby: 40dB(A) or less, Power save: 40dB(A) after 30 mins (background level) |
| Dimensions (WxDxH) | | 672 x 889 x 1,426mm |
| Weight | | 193kg approx |
| Duty cycle | | 150,000 pages/month max. |
| Warranty | | Pan European 1 year on-site |
| Supplies life | Toner | 15,000 pages @ 5% coverage per colour (products are shipped with 7,500 pages worth of each toner @ 5% coverage) |
| | Drum | 30,000 pages @ average 3 pages/job |
| | Waste Toner Box | 30,000 pages average life |
| | Fuser Unit | 100,000 pages |
| | Transfer Belt | 100,000 pages @ average 3 pages/job |

* Lotus R6.4 (Anonymous, Simple), Exchange 5.5 (Anonymous), Exchange 2000 (Anonymous, Simple, Kerberos 5), MS Server2000 (Anonymous, Simple, Kerberos 5). ** Recommended fax gateway servers: ZetaFax and RightFax

Consumables Information: For the protection of your product, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine Oki toner cartridges. These can be identified by the Oki trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your product's performance and print quality may be degraded. Specifications subject to change without notice. All trademarks acknowledged.
